PROFESSIONAL SUMMARY

Frontend Developer with production experience building responsive, user-focused web applications using React, Next.js, and TypeScript. Contributing to a startup environment, shipping real user-facing features and collaborating cross-functionally. Strong backend foundation (Node.js, SQL) enabling efficient API integration and scalable architecture understanding. Focused on clean UI systems, performance optimization, and product-driven development.

TECHNICAL SKILLS

Frontend	React, Next.js, TypeScript, JavaScript, Tailwind CSS, HTML5, CSS3
Backend Foundation	Node.js, REST APIs, Prisma ORM
Databases & Tools	PostgreSQL, MySQL, SQL Server, Supabase, Git, CI/CD, Agile

PROFESSIONAL EXPERIENCE

Frontend Developer | Consultarar (Remote, Canada) | May 2025 – Present

- Build and ship responsive user-facing features using React, Next.js, and TypeScript.
- Implement dynamic dashboards with real-time API integration.
- Design reusable component systems for scalability and maintainability.
- Optimize UI performance and responsive behavior across devices.
- Collaborate with backend developers to align API contracts and improve integration efficiency.

Junior Software Developer | Oi (Brazil) | Oct 2021 – Dec 2023

- Developed and maintained RESTful APIs using Node.js and Prisma ORM.
- Designed relational database schemas (MySQL, SQL Server).
- Supported frontend integration through structured API design and documentation.

PROJECTS

Job Tracker SaaS

- Designed frontend architecture using Next.js and TypeScript.
- Built interactive dashboards with state-driven UI and data visualization.
- Implemented authentication and role-based UI rendering.
- Structured reusable component systems for scalability.

OpenMatch – Open Source Platform

- Developed responsive UI using React and Tailwind CSS.
- Integrated authentication flows and backend APIs.
- Optimized layout and performance across devices.

EDUCATION

Diploma in Analysis and Systems Development – FASIFE, Brazil | 2023

CERTIFICATIONS

AWS Partner: Cloud Economics Accreditation
